Living

Congratulations !

CICIL received a grant from Prairie Meadows Racetrack & Casino in early 2009 to provide computers to lowans with disabilities. To carry out the requirements of the grant, CICIL has advertised the Computer Scholarship Program widely throughout CICIL's seven county area in central Iowa. All of the school districts have been contacted and applications for the scholarship have been sent to schools, universities, colleges, disability programs and throughout the community. The scholarship applicants wrote an essay and completed some computer application information.

After all of the scholarship applications were received, the Central Iowa Center for Independent Living Board of Directors reviewed the applications for the computer scholarships. The names and addresses of the applicants were removed and the CICIL Board of Directors selected the best scholarship applications based on the applicants' need for obtaining the computer. Many applicants wanted a computer to find a job, to improve work skills and / or to continue their education.

The CICIL Board has decided upon fifteen computer recipients and an event will be held on June 19th at the State Historic Building to celebrate this "historic" event.

CICIL is pleased to carry out our mission of "empowering people with disabilities to control their lives" by providing computers along with printers and anti virus software to the fifteen winners of the Computer Scholarship Program this year.

CICIL hopes that grant many will be obtained in the future to continue this vital program. We thank Prairie Meadows Racetrack and Casino, the scholarship applicants, and our Board of Directors for their hard work in carrying out this important program. Through this program, CICIL has, once again, helped lowans with disabilities live independently.

Congratulations from the CICIL Staff

Picture - CICIL Staff from left to right are Mattie Kitchen - Receptionist, Crystal Toman - Office Coordinator, Dee Howard - Independent Living Specialist, Bob Jeppesen - Executive Director, & Frank Strong - Associate Director. One of the computers as well as a printer is in this photograph.

CICIL Computer Scholarship Award

April 10, 2008

Congratulations!

YOU ARE AWARDED this honor because you are a student at CICIL who has demonstrated a strong interest in computer technology and a commitment to academic excellence.

The amount of this scholarship is \$1,000.00. It will be used to purchase computer equipment for your use at CICIL.

This award is presented to you by the CICIL Computer Scholarship Committee.
